Would like a note on that prepared for the Export Administration Review Board meeting on Landsat and for Friday discussion with Secretary Shultz on his concern about the impending availability of unclassified high resolution imagery. I attach the intelligence assessment on this and would like to have all this together by Friday lunch with the Secretaries.

- 3) Would like to get copy of the latest CIA [] the plan and program prepared in response to the NSC Directive on terrorism, the preparation of which Admiral Burkhalter and [] have been involved, and a copy of the new critical Intelligence Problems Committee report on international terrorism which is in preparation. Would like to look all of this over later this week prior to reviewing our response to the NSC Directive on terrorism.
